The Attractively-Priced **Bobcat S130 Skid-Steer Loader**

The \$130 is a smart way to move into the popular Bobcat line of skid-steer loaders. The machine offers top value for your money. It has a turning radius of 6 feet and a rated operating capacity of 1300 pounds, along with features such as heavy-duty drive chains that never need adjustment, removable axle hubs for quick, easy servicing and a dual-path cooling system that cools with debris-free air. The \$130 also works with a wide variety of Bobcat attachments, and sells for a very attractive price.

The Multi-Purpose **Bobcat S130 Skid-Steer Loader**

A hard-working machine, the \$130 is loaded with timesaving, money-saving features. Here are just a few:

- Great balance of power and maneuverability.
- · Choice of seven bucket styles and more than 30 other attachments.
- Bobcat Interlock Control System (BICS)™ is standard.
- Operator-friendly cab.

Greater Comfort

The cab is designed with the operator in mind, for optimum comfort and functionality. And with a wider opening, it's easy to enter and exit.

The seat bar pivots from the rear, providing secondary restraint protection as well as a comfortable armrest for operators of all sizes. Plus, the worklight design doubles the amount of illumination to the work area for better operation in low light.

The S130 also features an easy-to-read, highly functional instrument panel, along with a number of improved comfort options.
